

MR400.2

2 CHANNEL BRIDGEABLE MOSFET MARINE POWER AMPLIFIER

Specifications:

Max Power, 2 OHM: (400w x 2)

RMS Power, 4 OHM: (125w x 2)

Bridged power, 4 OHM: (800w x 1)

Signal to noise ration: 102dB

THD: 0.01%

Dimensions: (301.62mm) (L) x (284.16mm) (W) x (68.25mm) (H)

Features:

Bridgeable / Tri-mode operation

Variable gain control

Variable lowpass / fixed high pass crossover

0-+18dB variable bass boost

line and speaker level inputs

Power and protection LEDs

MOSFET power supply
